

Oboji slova u omiljene boje, izreži i nalijepi na
čestitku koju ćeš napraviti za mamu

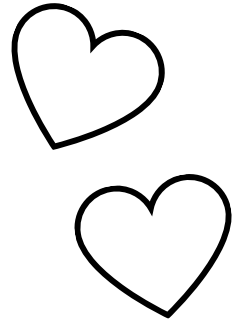

✧ Svaki dan s tobom
✧ je kao najljepši san

Mama, ti si moje

Volim kada me

Ti najbolje znaš

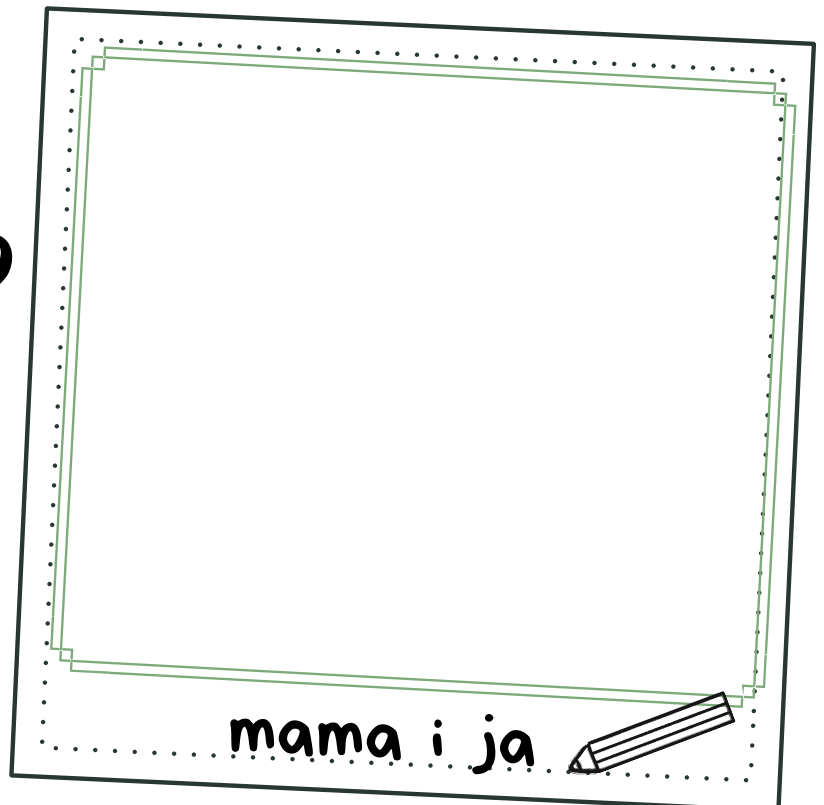

Na današnji
dan želim ti

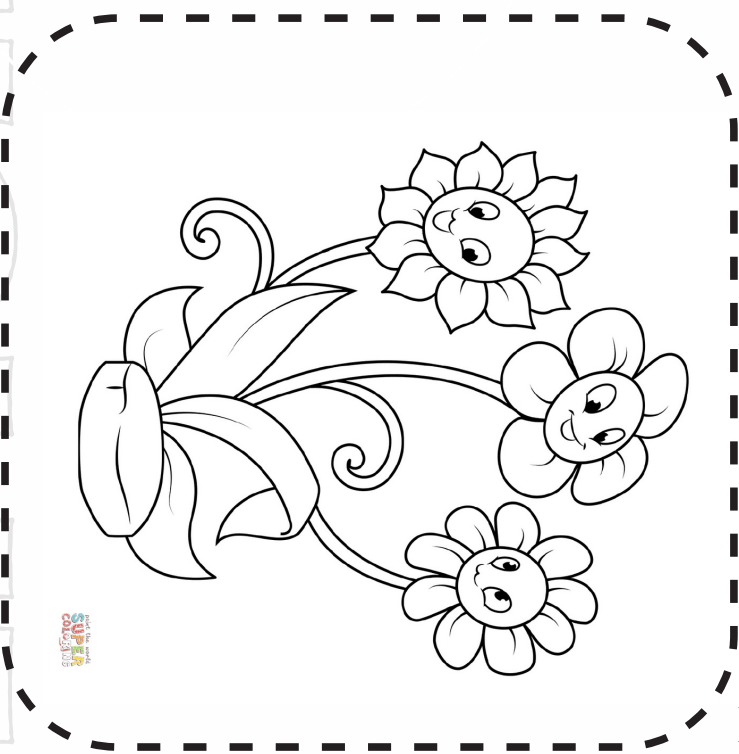

Hvala ti mama za
sve...

Najveće hvala za
ljubav...

Od tvoje ljubavi živim i
rastem...

Sada je na redu nona. Oboji slova u omiljene boje, izreži i nalijepi na čestitku koju ćeš napraviti za nonu

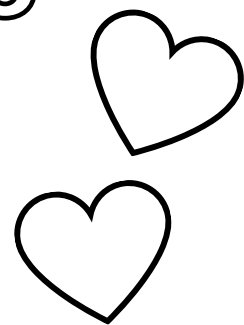

Kada sam s tobom nona, sve se čini tako čarobno

Nona, ti si moje

Volim kada me

Ti najbolje znaš

Na današnji
dan želim ti

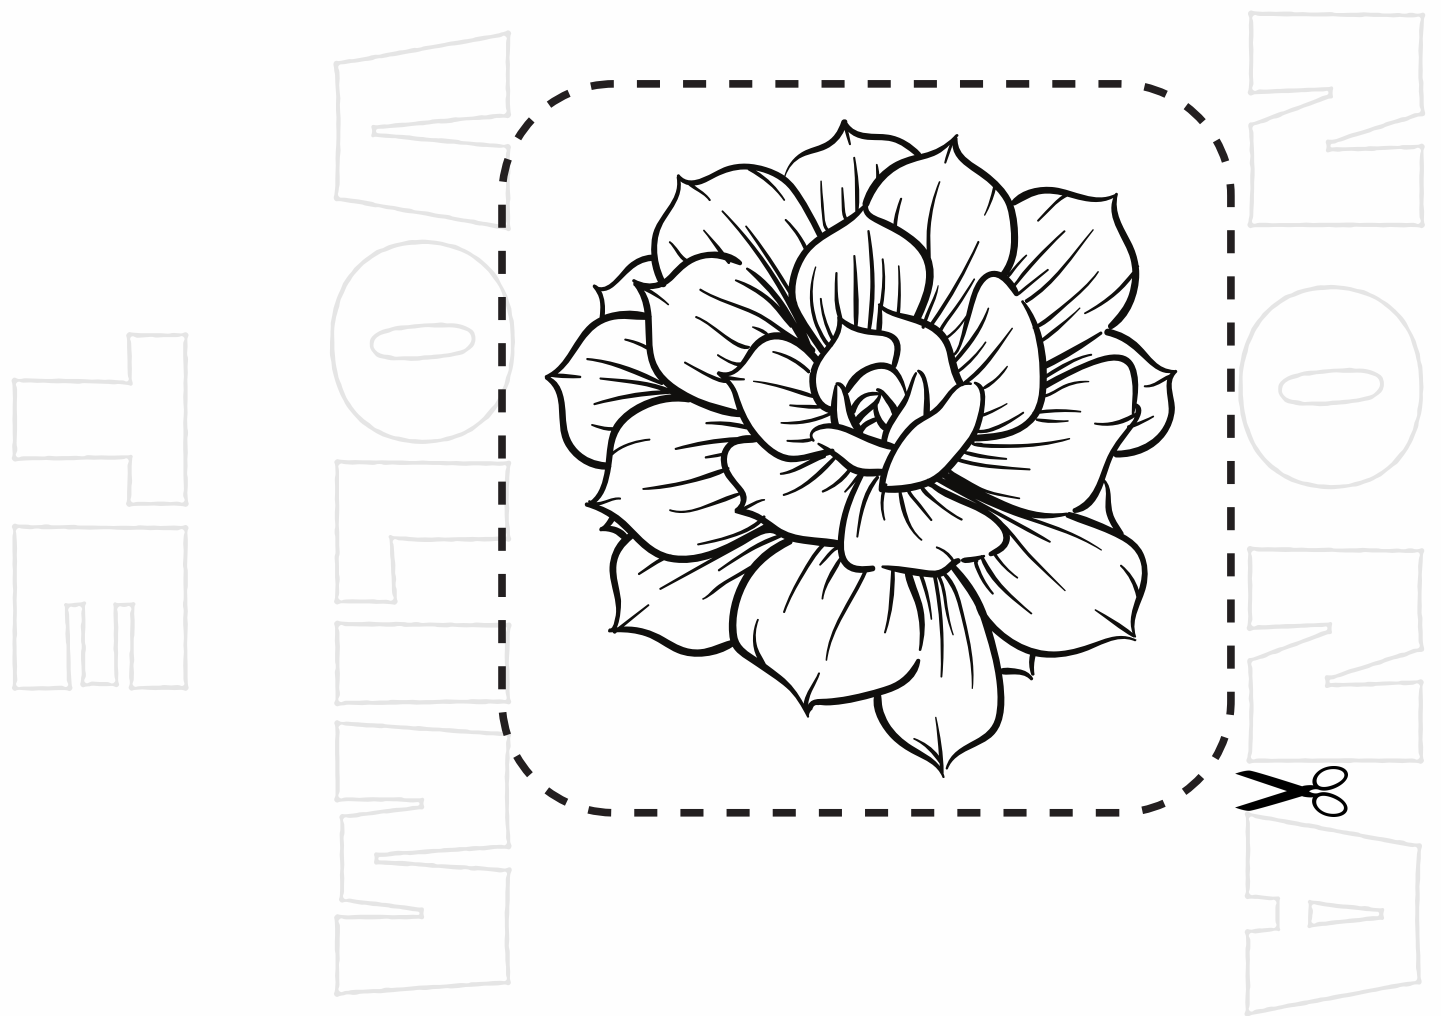

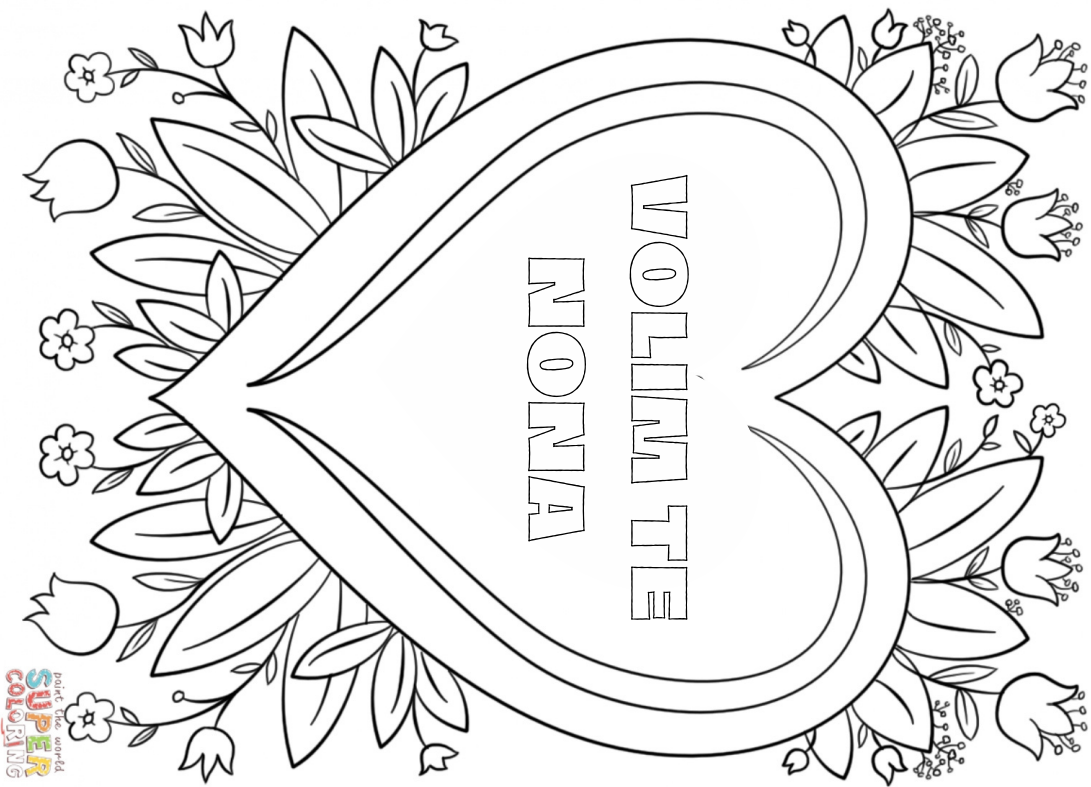

Hvala ti nona za
sve...

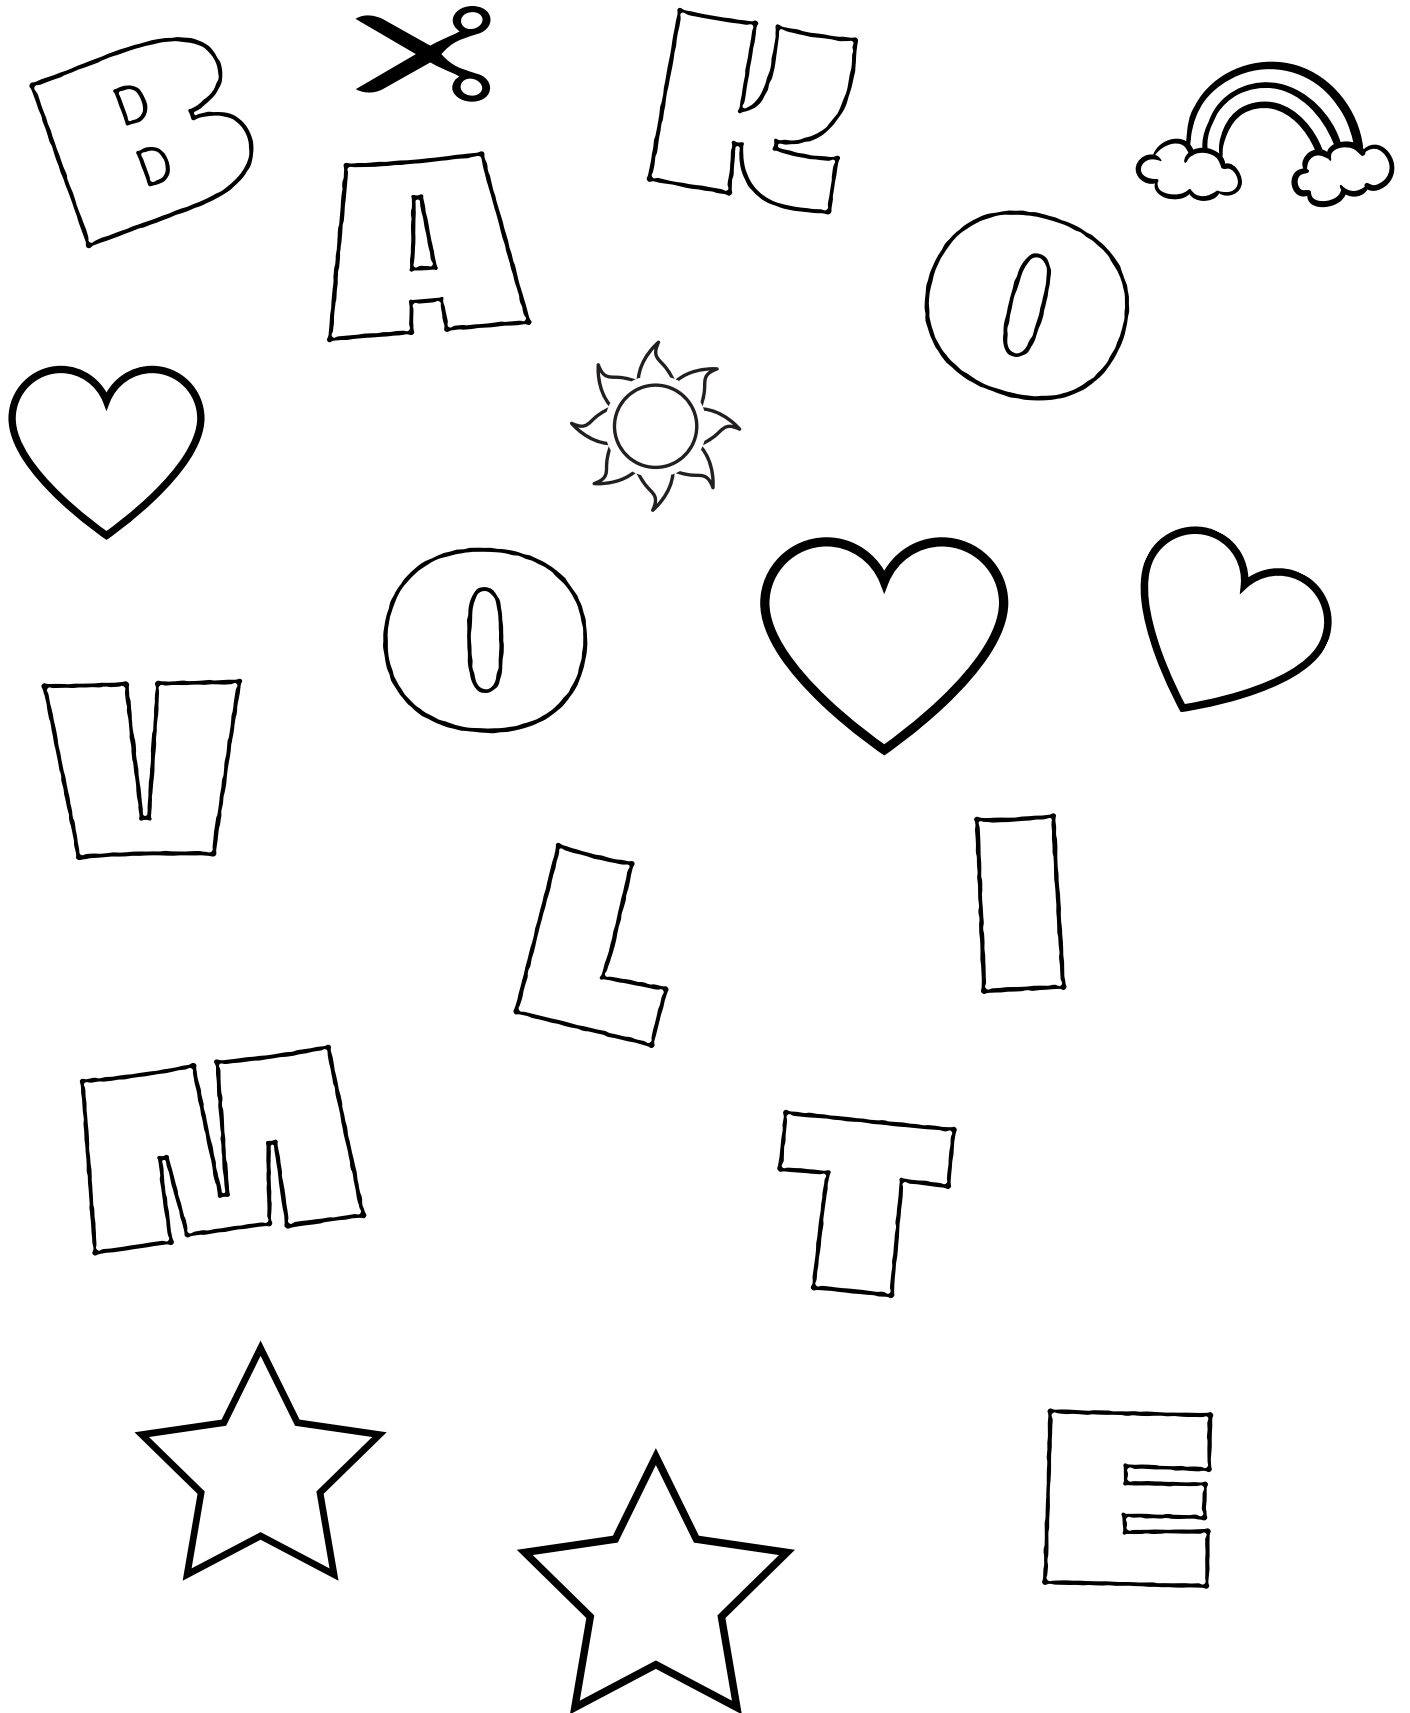

Hvala ti što uvijek imaš
vremena za mene...

Imati nonu najveći je dar
za mene...

nona i ja

Možda imaš i baku. Oboji slova u omiljene boje, izreži
i nalijepi na čestitku koju ćeš napraviti za baku

Kada sam s tobom bako, sve

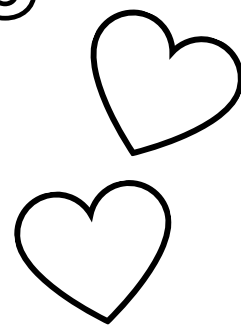

se čini tako čarobno

Bako, ti si moje

Volim kada me

Ti najbolje znaš

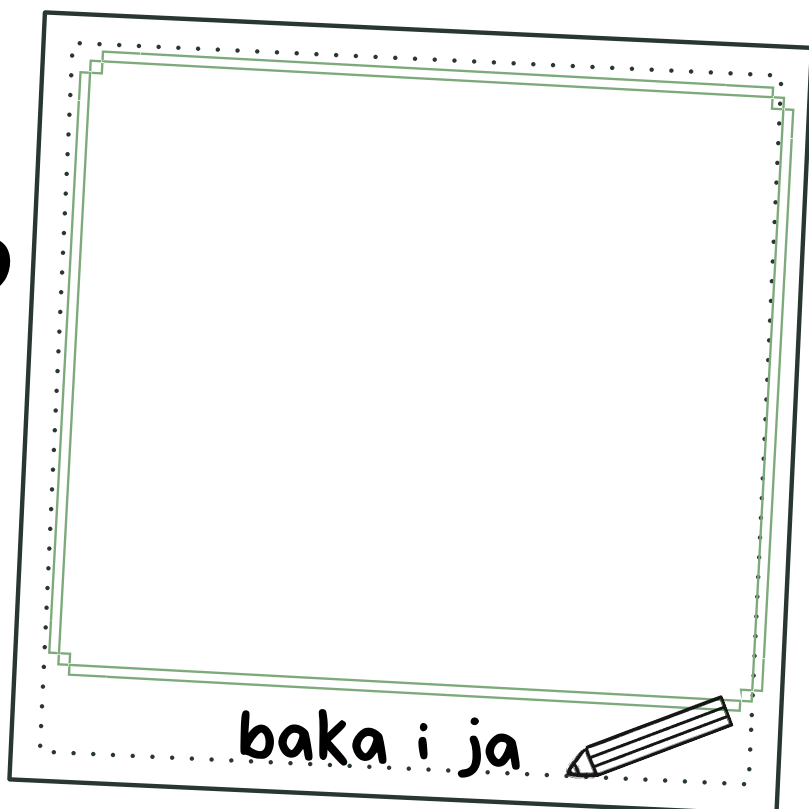

Na današnji
dan želim ti

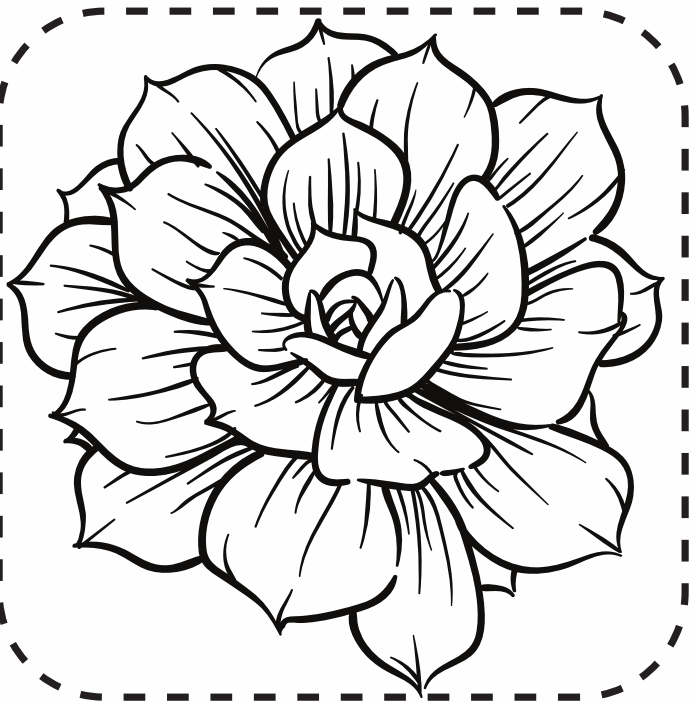

Hvala ti bako za
sve...

Hvala ti što uvijek imaš
